A SAD PRINCESS

Once upon a time there was one king who had three princesses. He loved them and he wanted to give them everything in the world. One morning he woke up and he felt that it was his time, so he had to call his daughters and spoke with each of them alone. His first daughter was called Pearl. She was very nice and she liked pearls and jewellery. But she was very stupid. The king asked her some question. Princess Pearl answered very well, so the king was satisfied. The first daughter left him and the second princess came. She was called Goldie. King asked her a question too. She thought long, but she answered well. So he kissed her and she left the king. Finally, the third princess came, but she was different from her sisters Pearl and Goldie. She was a nice girl and she was clever, too. She didn't need money, gold, pearls, because she liked the garden and flowers in it and this was treasure for her. She came to the king and smiled...
